

About Us

What's different about Youngs Holden?

Well, mainly our people.

We want you to be proud of the car you drive and where you bought it from. Everyone at Youngs Holden is passionate about the Holden product and proud to be part of the Youngs Holden team. The company has been in Victoria Park for nearly 50 years but the people are mostly young. Corny (we know) but its true. They're an award winning team of professionals.

We Guarantee to:
